RAMSAY HEALTH CARE

COFFS HARBOUR

Baringa Rehabilitation

All referrals from GPs to Baringa Rehabilitation will receive feedback, Baringa Rehabilitation will be happy to tailor a program to your patient's needs.

Programs covered by health funds include:

- Cardiac & pulmonary post op or chronic conditions
- Neurological
- Pain (work cover & health fund)

Day rehabilitation

- General re-conditioning
- Poor balance
- Debilitated

Base line measures, contacting community services, all help to achieve patients to stay in their own home

All day patient programs are 2 days a week, with education, pool & gymnasium included.

If a patient is unable to attend 2 days a week, we can cater to 1 day a week until they progress to be able to attend 2 days

The whole package for Rehabilitation is under one roof and includes:

- One on one assessment
- Physiotherapy
- Exercise Physiology
- Occupational Therapy
- Speech Therapy

Our overall package aims to look after your patient by measuring and improving their lifestyle. We are confident this will help you with managing patients that require more time with Allied Health Professionals.
